Pediatric Allergy & Respiratory Conference

Welcome! **Note**

On Behalf of the organizing committee we would like to invite you all to The Pediatric Middle East Allergy and Respiratory Conference 2024 (MEARC 2024), Supported by Union of Arab Pediatric Societies (UAPS)

The conference will cover a lot of topics related to pediatric allergy and respiratory. There will also be hands on workshops on asthma, allergy and eczema.

We have invited international and local speakers who are well known in their field and known to be good speakers to share their experiences and the new advances in the field

Your participation by attending the conference and submitting your abstracts will enrich the value of our conference.

We are confident that this conference will exceed your expectations, offering an exciting scientific event as well as an enjoyable social program.
